February 2014 - Grace Hess, Principal - Phone 970-1500 Attendance 970-1516

A NOTE FROM THE PRINCIPAL

Happy February,

Our teachers have been working hard to give our students a comprehensive school experience. Our Huskies have been to the Betty Brinn Children's Museum or Discovery World. Educational research says that students may remember an educational experience in a classroom, but they will always remember the field trips we took them on. A big THANK YOU to Kindergarten Teacher Elizabeth Hoyer for applying for the Kohl's grant that provided us with the financial ability to get all of our students on a bus to these very important, educational sites. Please ask and talk to your Husky about their field trip experiences. A big THANK YOU also goes out to parents who take the time to chaperone and help us with providing assistance to our teachers and the museum docents, and most importantly to help our students learn in small, personalized groups.

Speaking of buses, I appreciate your patience with our busses as they strive to provide a safe pickup and delivery of students. Yes, sometimes they were running a little late, but do know it was in the interest of safety.

Some parents have asked about homework for students and please know that our teachers always assign homework. I know that students have to read and complete a reading log in every reading class, and our math teachers give homework all the time as well. If you have internet at home, students have access to IXL for math and in grades 4-5, they can access Achieve 3000.

If this does not sound familiar, please connect with your classroom teacher as soon as you can. The habits that are formed today for our elementary students will pay dividends as they get into middle, high school and college. We work very hard to instill a strong work ethic in our students, a lifelong skill.

On Mondays and Fridays, we continue to have our morning assemblies. If you see the playground empty on these days, and the weather is higher than zero degrees, please make sure your Huskies come in the building. If the playground is empty and the weather is zero degrees or less, it is very likely we are having indoor morning recess and students are in the gym. During this time of year, it is important for us that students stay warm and safe. The wind chill can make those little cheeks and hands very cold if they are not properly covered up.

We are having parent-teacher conferences this month and we hope you have already signed up for your appointment with your Husky's teachers. Grades 1 and 2 are doing student led conferences and we hope you enjoy this format. The best way to demonstrate learning is when a student can speak to what they have learned and why they have learned it.

Puxatony Phil says we have more winter, let's hope he is wrong, I think we are all ready for the flowers to start to bloom.

Grace & Peace

WEATHER MAKE-UP DAYS

We are required to make up three of the four missed days in January. At this point DPI has not given us a waiver from making these days up, so we have no choice on the matter. We picked **March 6th & 7th and May 23rd** because we have already lost four days in this quarter and we need to try and balance days in each quarter as much as possible for curriculum and course considerations.

HEALTH INSURANCE MARKETPLACE DEADLINE IS MARCH 31ST

Community Assistance for the Health Insurance Marketplace

Families and individuals needing help to apply for health insurance through the health insurance marketplace may call and schedule an appointment at either:

1. Waukesha Community Health Center, 309 E. North St. at 262-408-2989 OR
2. St. Joseph Medical Clinic, 826 N. East Ave. at 262-544-6777

A certified application counselor will assist with the process. To prepare for the appointment, it will help to have Social Security numbers for all applying, birth dates, pay stubs, W-2 forms or "wage and tax statements" and information on any health insurance that would be available from an employer.

Online applications can be made at www.healthcare.gov. For applications by phone, call 1-800-318-2596.

OPEN ENROLLMENT

NON-RESIDENTS OF WAUKESHA

Wisconsin's inter-district public school open enrollment program allows parents to apply for their children to attend school districts other than the one in which they live. The open enrollment application period for the 2014-2015 school year is from February 3rd- April 30, 2014. **The application period closes at 4:00 p.m. on April 30, 2014.** Late applications will not be accepted for any reason. Parents may apply in one of two ways:

- On-line (recommended) at <http://dpi.wi.gov/sms/psctoc.html>
- Although an on-line application is recommended, paper applications may be obtained from the Department of Public Instruction or any school district. Paper applications must be delivered to the non-resident school district. School District of Waukesha applications should be submitted to:

Stephanie Peterson
Open Enrollment
222 Maple Avenue
Waukesha WI 53186

RESIDENTS OF WAUKESHA

If you are considering attending a school within the district that is not your neighborhood school, you must complete an In-District Transfer Request form which can be accessed online at: <http://tinyurl.com/a/22jbsl>. This form can be printed and completed manually or filled out electronically. After completion please deliver the form to your home/attendance area school by March 1, 2014

COLD WEATHER AND RECESS

Please dress your children for the weather! Our school does watch conditions closely, and will keep children in for recess when the temperature or wind chill is below zero. Individual children will not be allowed to stay in for recess due to illness unless they have a doctor's written excuse. Winter coats, hats, and mittens or gloves are a **must!** Snow pants and boots are required to play on snow covered areas. Snow stays on the ground! Please remember that children need to use the Oakland Doors for breakfast service which ends at 8:20 a.m.

END OF THE DAY DISMISSAL

If you are picking up your child after school, please make sure you are at school no later than 3:30 p.m. Being picked up on time is very important. Young children need the security of knowing that they, too, will be picked up when the other children are going home. For this and reasons related supervision after 3:30 p.m., picking up your child on time is essential.

SCHOOL CLOSING REMINDER

In case of severe weather, school closings will be announced on the following radio stations:

<u>AM RADIO</u>	<u>FM RADIO</u>
WSSP 1250	WKLH 96.5

Local television stations **4, 6, 12 & 58** will broadcast our announcements as well. Also you can call the Waukesha School District school closing line at 970-1155, or check the District website at www.waukesha.k12.wi.us.

ALL STUDENT REGISTRATION FEES ARE DUE NOW!

Thank you to all who have paid their school fees. We wish to remind our parents that if you cannot pay the full amount at this time, you may request a payment plan. Please call Ms. Gonzalez to make arrangements. Checks should be made out to the School District of Waukesha. Please note that the District Business Office forwards unpaid bills to a collection agency. Thank you for taking care of this as quickly as possible.

STUDENT ATTENDANCE

We are certain you believe as we do that in order for students to be successful in school, regular and prompt attendance is a **MUST**. Studies have shown a strong correlation between attendance, good grades, and school success. The only way to learn is to be here on time, each day! Wisconsin State Statute (118.15) requires schools to monitor student a.m. and p.m. attendance. You will be informed in writing when your child's absences or tardies become excessive according to district and state criteria. Daily attendance and punctuality is crucial for your child's success!

Thank you for working with your child and us to ensure regular and timely attendance.

Parent/Teen Relations: Understanding Your Teen's Anger (For Parents and Teens)

Tuesdays

March 11 & 18, 2014

5:30-7:00 p.m.

This two part class is for Parents and Teens. The first class will meet with the parents to help them understand their teen's anger, development and strategies to cope with their seemingly ever changing moods. The teens will meet separately.

The second class will be parents and teens together to explore the essence of anger and anger management strategies. Discover how anger manifests itself in our bodies and techniques to control it.

Call Parents Place for details and registration.

HEART AWARENESS MONTH

Dear Families,

February designates American Heart Month. The month of February is dedicated to raising awareness about heart disease and increasing knowledge about prevention.

A healthy school environment can result in greater academic achievement, healthier students and school staff. Good habits are the key to good health! Healthy students perform better academically, have better attendance and behave better in class. Take time this month to make healthy choices as a family! Here are some ideas:

- Make a healthy dinner as a family

- Get active by building a snowman or snow fort

- Eat at least 2 ½ cups of fruits and vegetables a day

- Try a new vegetable

- Try a new sport

- Crank the radio and dance together

The School District of Waukesha will be dressing in red on Friday, February 21st to support heart month awareness. Students and staff are encouraged to come to school dressed in their favorite red attire!

Visit the American Heart Association website at www.heart.org for additional resources on how to make a healthy home and increase activity in your daily routine!

OBEESITY

IN INFANTS TO PRESCHOOLERS

1 IN 3 CHILDREN
and adolescents, ages 2-19,
ARE OVERWEIGHT OR OBESE
and nearly **NONE** meet healthy diet
and physical activity recommendations.

FRENCH FRIES
are the most common
vegetable that children
eat, making up
25%
of their vegetable
intake.

JUICE
(which may lack
important fiber found in
whole fruit) makes up
40%
of children's daily
fruit intake.

FACT

An estimated **12.5 MILLION CHILDREN**, ages 5
years or younger, spend **33 HOURS PER WEEK** in
CHILD CARE SETTINGS where they may
CONSUME MOST OF THEIR DAILY CALORIES.

OBEESITY is linked to
MORE CHRONIC CONDITIONS THAN:

SMOKING

POVERTY

DRINKING

increasing the **RISK** of more than **20 PREVENTABLE CONDITIONS**, including sleep apnea, asthma, heart disease, Type 2 diabetes, osteoarthritis, high blood pressure and high cholesterol stroke.

RISK FACTORS

- Children in their early teens who are obese and who have high triglyceride levels have arteries similar to those of 45-year-olds.
- Obese children as young as age 3 show indicators for developing heart disease later in life.
- Children who are overweight from the ages of 7 to 13 may develop heart disease as early as age 25.
- Obese children are twice as likely to die before age 55 than their slimmer peers.

OBEESITY MAY BE PREVENTED BY

PHYSICAL ACTIVITY

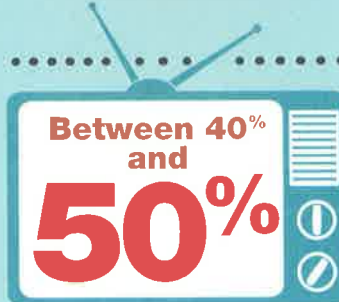

GOOD NUTRITION

LESS SCREEN TIME

MORE SLEEP

Between **40%**
and
50%

OF TODDLERS,
ages 12- to 35-months-old,
watch **MORE** television
than is recommended.

Nearly **1/2**

OF PRESCHOOL-AGED CHILDREN
DON'T get enough
PHYSICAL ACTIVITY.

The **COST** of obesity
in the United States is staggering, totaling about
\$147 billion.

Children who **EAT HEALTHY FOODS** and
GET DAILY PHYSICAL ACTIVITY have:

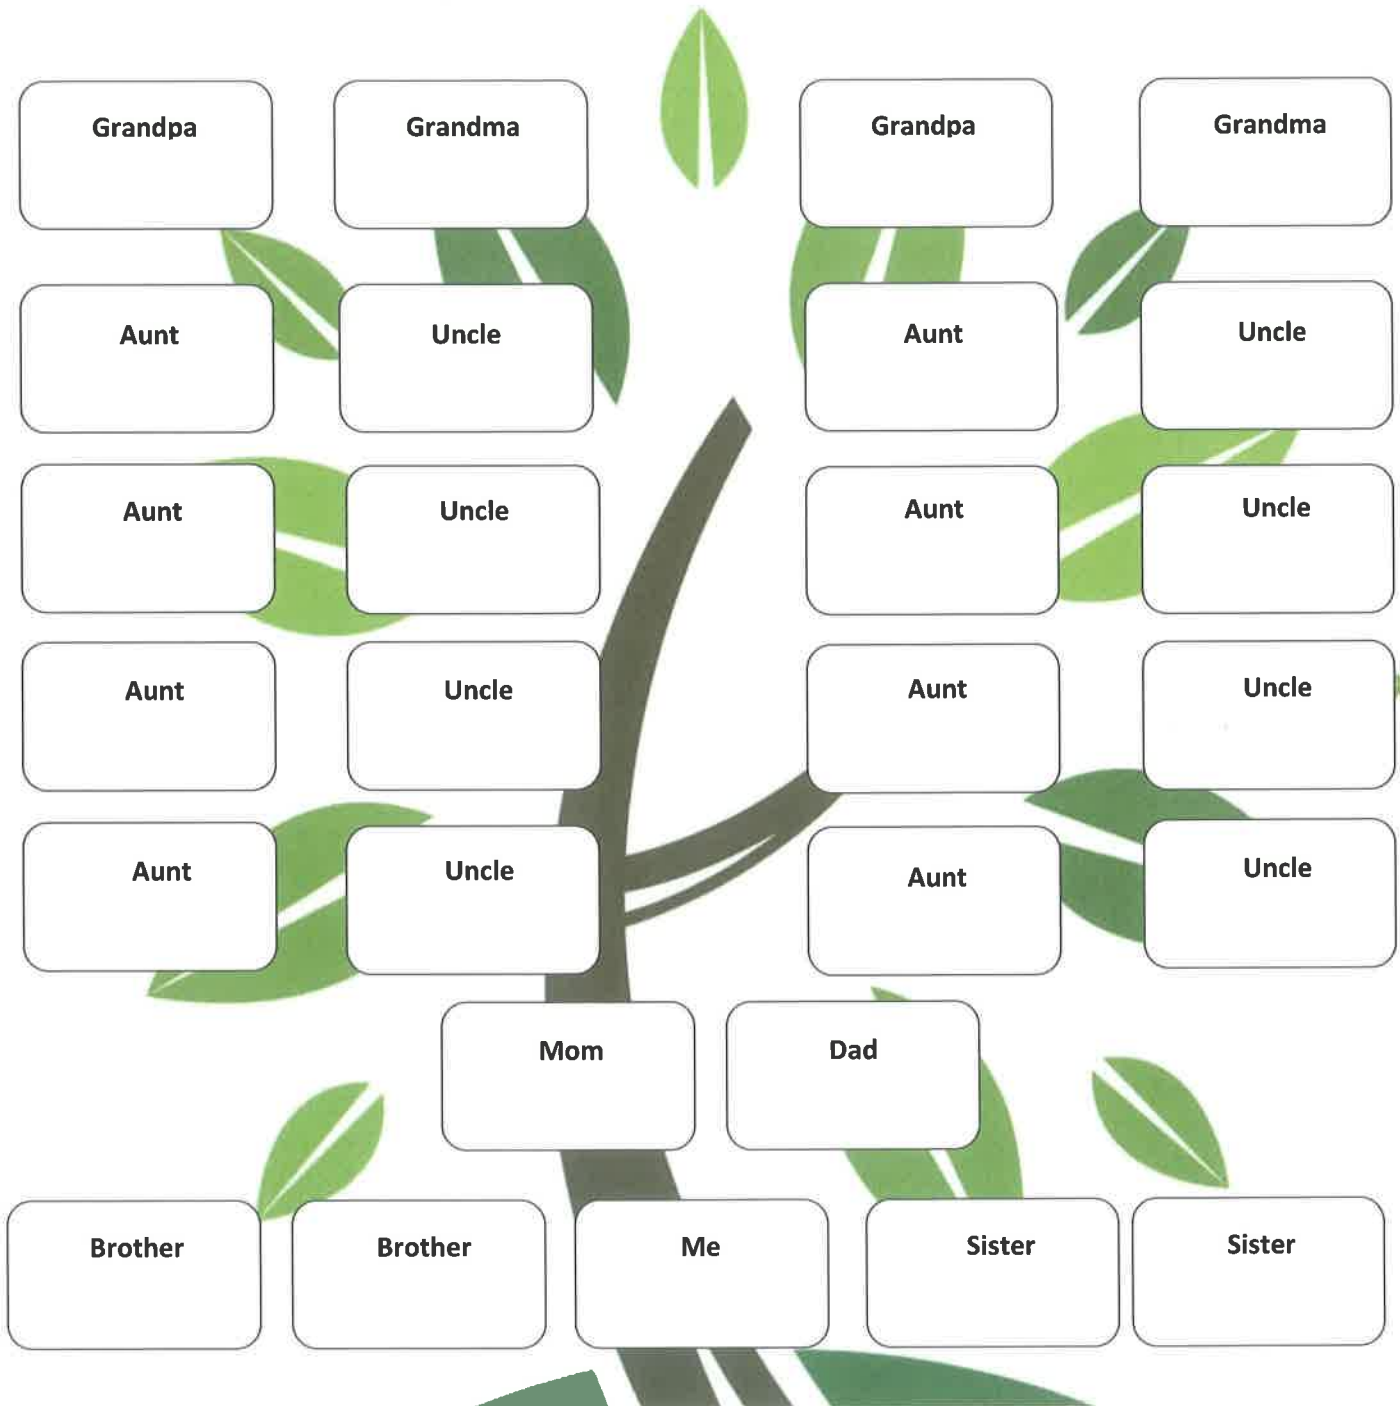

- FEWER SCHOOL ABSENCES
- HIGHER ACADEMIC ACHIEVEMENT
- HIGHER SELF-ESTEEM
- FEWER BEHAVIORAL PROBLEMS

DEVELOPMENTALLY, BIRTH TO AGE FIVE,
is an important time to **TEACH** children to
PREFER HEALTHY FOODS and
DEVELOP GROSS MOTOR SKILLS,
setting positive patterns and habits.

Use this tree to discover which health conditions, like heart disease, may be in your family. With the help of your mom or dad, fill in the boxes with the health conditions of your blood relatives. Be sure to complete both sides of the family. By knowing which health conditions and diseases are in your family, you can make the right healthy choices to help prevent those conditions from being passed down to you. Post your completed family tree on the refrigerator to remind you and your family of the importance of making healthy choices.

Treasures of Waukesha County

Essay and Image Contest

Category: Original essay limited to 250 words or less, plus one 4x6 inch color photograph or 8.5x11 inch color drawing

Theme: Treasures of Waukesha County

The Waukesha County Museum preserves and explores unique objects, images, and stories that make up the county's past. Students are asked to reflect on a person, place, object, or event that they believe is a true Waukesha County treasure, past or present. Students will describe their choice and reasoning in an essay, and combine the essay with a photograph or drawing that best represents their chosen treasure.

Eligibility: Students in grades 2-12 living in Waukesha County. One entry per person.

Criteria:

- Entries must be received by **April 25, 2014**
- Entries are to be the student's original and unpublished ideas and work
- Entries must address the theme and be 250 words or less
- All entries must be handwritten on paper appropriate for grade level or prepared on a word processor – one side of paper only, white paper, times new roman, font size 12
- All entries must print, complete, and sign the Entry and Parental Release Form (download on the museum's website)
- The student's name should appear on the Entry Form but NOT the essay or photograph/drawing
- The essay may not be folded or stapled
- Entries will be judged on: clarity, creativity, originality, and correct usage of grammar and writing skills
- Images can be photographs (4x6 inches in color only) or drawings (8.5x11 in color only); no internet images please

The entry should be clipped together (not stapled) with the Entry and Parental Release Form, found on the museum's website at www.waukeshacountymuseum.org.

Entries can be dropped off at the museum or mailed (no emails please) in a large envelope postmarked by April 25, 2014 and sent to:

Waukesha County Museum, attn: Education Department
101 W. Main Street
Waukesha, WI 53186

An independent panel of educators and museum staff will judge all entries. Entries (including the essay and photograph or drawing) will NOT be returned after submission. Winners will be announced by May 6, 2014, with a first, second, and third place winner from each of the following categories: Grades 2-3; Grades 4-5; Grades 6-7; Grades 8-9; Grades 10-12. Winning entries will be displayed May to August 2014 at the Waukesha County Museum. Winners will be invited to a special awards ceremony in May for a reading and additional prizes.

For questions, please contact Kristen Hoeker, Director of Education, at (262) 521-2859, ext 224 or at education@wchsm.org.

Tips to be a Finalist in this Year's Culinary Competition

Have your eye on the prize? Here are some tips that may help!

1. **Be original.** You don't have to be like everyone else. We can only have so many turkey sandwich recipes. It's a great sandwich, but consider putting a new twist on it instead!
2. **Be creative.** A student once submitted a recipe for "dill cookies!" Sounds terrible, but they were actually great! Don't TRY to be too weird, but we love to see recipes that are different!
3. **Don't do recipes that are too easy or too complicated.**
4. This **doesn't** have to be your own, original recipe. You can get them off the Internet or anywhere, but try to alter it slightly to make it your own!
5. SORRY, only **ONE** person can make each recipe at the competition.
6. We are looking for **healthy sandwich** recipes, so try to avoid recipes with a lot of sugar or fat in them.
7. At the main competition, judges will consider the following 6 criteria:
 - Taste
 - Originality
 - Ease of Preparation
 - Healthy Attributes
 - Kid Appeal
 - Plate Presentation

The use of one or more of the following ingredients will earn bonus points at the judging: Chicken, Turkey, Tortillas, Low-Fat Cheese, Low-Fat Mayo, Dry Spices, Black Beans & Tuna.

Waukesha Firebirds

2014 Summer Pee Wee Baseball Program

Pee Wee League (Ages 5/6 and 7/8)*

Program for 5/6 year old players who enjoy the game of baseball

Utilizing "coach pitch" rules, with a "tee" introduced after strike-outs, each player will learn the game of baseball. We allow on-field coaching at the 5/6 level, insure that all participants play every position during a season, only allow each player to play a single position for two innings during any given game, and allow 10 fielders at any given time.

Program for 7/8 year old players who enjoy the game of baseball

At the 7/8 year old level, we eliminate the concept of using a "tee", and a player is "out" after three strikes from a "coach-pitched" ball.

The Pee Wee program starts in early-May, and runs thru the first week of August. Games are played on Sundays, with a season consisting of 6 league games and one tournament game. This program costs \$100 per player.

***All teams are based on a May 1st cutoff date. Whatever your sons' age is as of May 1st, 2014, that is the league/program he would be qualified to play in**

More information pertaining to the pee wee and select programs, please visit our website at :

www.waukeshafirebirds.org

For 2014 we are anticipating having each team play at least one game at night "Under the Lights" at the Waukesha Saratoga Baseball Complex !!!!

--- HERE IS WHAT YOU RECEIVE BY JOINING ---

1. A 7 game season **played at the William Oliver Sports Complex and/or the Waukesha Saratoga Baseball Complex** for 5/6 and 7/8 ages playing "coach-pitch" baseball
2. The program will include a year-end tournament game for all teams
3. Fundamentals-based practices for the duration of the baseball season.
4. Each player will receive a full Waukesha Firebirds uniform, including a Firebirds cap, Firebirds jersey, pants and socks. Only the pants must be returned at the end of the season – **EVERYTHING ELSE THE PLAYER KEEPS!**
5. Teams will be limited in size. All participants will get equal playing time, with everyone playing all field positions during the course of the season.
6. No hidden costs or mandatory fund-raising fees.
